38th Stocker's Aspen Conference on Pediatric Disease
UPDATE ON PEDIATRIC PATHOLOGY:
ASPEN CONFERENCE ON PEDIATRIC DISEASES
July 31 – August 4, 2023
Aspen Alps
Aspen, Colorado

CONFERENCE DESCRIPTION

Continuing in the tradition of pediatric pathology conferences in the Aspen area since 1970, the 2023 lecture-based course is designed for general and pediatric pathologists but will also be of interest to pediatric surgeons and pediatricians who would like to advance their knowledge in various pediatric neoplastic and non-neoplastic diseases. Handouts and PowerPoint presentations, including case discussions, will be posted on The University of Chicago website. In advance, each participant will receive a microscopic slide set of 25 cases with clinical histories. The cases will be discussed in detail during the conference. A microscope will be available to review with faculty interesting cases that participants may bring to the conference. In addition, an academic poster session consisting of current topics in pediatric pathology will be presented. Abstracts can be submitted by any participant to Aliya N. Husain, MD at the University of Chicago aliya.husain@uchospitals.edu
